

Promoting independent living for people with disabilities in Nebraska & Southwest Iowa for more than 45 years

Giving Days Net \$11 Million for Local Nonprofits

May Events Give To Lincoln Day, Omaha Gives! Pottawattamie Gives! Encourage Philanthropy

Two online charitable giving days in May raised more than \$11 million for nonprofit organizations in Lincoln and Omaha.

Preliminary figures show that the sixth-annual Give To Lincoln Day, May 18, brought in \$3,693,306 from more than 17,000 donors. That is about \$618,000 more than last year. There were 366 nonprofits participating, including the League of Human Dignity.

The League received \$3,340 in donations – its best showing yet in the event. Of donations to the League, \$865 was given online and \$2,485 was given in person at the Lincoln Community Foundation office and at a four-hour event at Tower Square in Lincoln. Organizers expected about a third of total donations would come from in-person gifts -- the League traditionally has received most of its donations in person.

The donation totals do not include \$350,000 in matching funds, which will come proportionally from a pool of cash donated by this year's Give To Lincoln Day sponsors.

The Food Bank of Lincoln topped the leaderboard with \$139,134.60 in donations, one of two organizations receiving more

than \$100,000. The Pius X Foundation was next with \$107,612.

The fifth-annual Omaha Gives! and second-annual Pottawattamie Gives! on May 24, raised \$7,766,611 from nearly 53,000 donors. That is about \$1.1 million less than last year. Both events share the same giving platform. There were 923 nonprofits participating, including the League. There were 89 Pottawattamie County nonprofits, including the League, listed on the Pottawattamie Gives! page.

League Centers for Independent Living in Omaha and Council Bluffs will share \$610 in donations. That is \$85 more than last year's total. The Omaha-Council Bluffs-area giving day does not include an in-person giving option. All donations must be online.

Ten Omaha-area nonprofits received more than \$100,000 in donations, led by Marian High School with \$314,827 and Siena/Francis House Homeless Shelter with \$262,416.

The 24-hour giving days are held each year to raise awareness of local nonprofits and encourage local philanthropy. The need for charitable giving in support of nonprofits has never been greater. The League wishes to thank all those who donated in support of independent living and equal access for people with disabilities in the Omaha-Council Bluffs and Lincoln areas.

Thank You for Your Generosity!

CEO'S NOTE

Universal Design, also called Barrier-Free design, can contribute to independent living throughout a person's lifetime. What are the 7 principles of Universal Design?

1. Equitable use
2. Flexibility in use
3. Simple and intuitive use
4. Perceptible information
5. Tolerance for error
6. Low physical effort
7. Size and space for approach and use

These principles focus on making a residence safe and accessible for everyone, regardless of age, physical ability, or stature. Universal design goes far beyond ramps and grab bars, while remaining largely invisible to the casual observer. Here are some steps you can take to make your house more user-friendly.

In the Kitchen

- Pulls instead of knobs on cabinets and drawers are much easier on arthritic hands.
- A contrasting edge-band on countertops makes it easier for someone with vision disturbances to see the edge of the countertop.
- Varied-height cabinets and countertops.
- Under-the-counter refrigerator drawers make a kitchen more accessible for someone in a wheelchair. Elevating the dishwasher accommodates people in wheelchairs as well as people who may not be able to bend easily. You can even get sinks that raise or lower at the touch of a button.
- For a cook who uses a wheelchair, leave open space under the sink, cooktop, and countertops.

In the Bathroom

- Again, install countertops with contrasting edge-banding.
- Choose an adjustable-height showerhead that can easily be positioned at a comfortable height for all abilities.
- Install grab bars or at least install reinforced studs so that grab bars can easily be added in the future.
- Install vanities of different heights if possible; many people find they have to crouch at a standard vanity.
- For wheelchair access, make sure the doorway is 32 inches wide, install a curb-free shower pan, a wall-hung sink with covered pipes, and try to provide 60-inches of clear floor space for turning the wheelchair.

Throughout the House

- Choose lever handles instead of doorknobs.
- Hallways and doorways that are 32 inches wide or more.
- Avoid changes in floor height, including thresholds.
- Lower switches and raise receptacles so they're reachable from a seated position.

These simple changes to a home design ensure that a person with a disability can easily live there — and if a person experiences a disability later on, they can stay in their own home. Minor changes early on can make huge differences later!

If everyone would start thinking of Universal Design as a practical approach to life-long living, we would a big step toward understanding that disability is a part of life.

League Waiver Offices To Offer Loan, Rental Programs

Offices Join CILs In Seeking Donations of Durable Medical Equipment

League offices in Scottsbluff, Kearney and North Platte have established Equipment Loan and Rental Programs.

Equipment is available for loan or rental to people with temporary or permanent disabilities, served by the League. Categories include daily living, bathing, personal mobility and miscellaneous. The loan program, which includes a one-time handling fee, is available to people who live in residential locations, including foster homes, boarding houses and fraternity and sorority houses. People who live in nursing homes, college dorms or halfway houses are not eligible.

The program has been available at League CILs in Lincoln, Norfolk, Omaha and Council Bluffs for many years.

From time to time League offices put out the call for donations of equipment that is especially needed. For example, in the past, bath and shower seats often have been in short supply in all League loan and rental programs.

While the program at the Lincoln CIL has an ample supply of

most items, including lifts, wheelchairs, crutches, commodes and the like, “we always seem to run short on tub and shower benches and chairs, and shower chairs and transfer benches,” said Brian Kibicek, who coordinates the program at the Lincoln CIL.

At the CIL in Omaha, shower benches also typically are in short supply, said CIL Director Bob Gomez. The CIL also at times runs short of knee-walkers.

In Norfolk, the CIL often has a need for bath benches and Rolator walkers, said Jane Fink, who coordinates the program there.

The Southwest Iowa CIL in Council Bluffs also often has a need for shower chairs and transfer benches, as well as toilet risers, toilet safety frames, and portable commodes, said CIL Director Frank Greise.

The rental program, which costs from \$10 to \$25 per month, depending on the equipment rented, is open to anyone in eligible counties served by the League. For more information, please contact the league office nearest you.

Anyone who has equipment they would like to donate should call the League first to determine what, if any items are needed.

WHAT IS 'YOUTH TRANSITION'?

Youth Transition . . .

It is about putting the pieces in place that a young adult may need to accomplish their dreams and lifelong happiness.

The Purpose of Youth Transition — to ensure that young adults will gain the skills, knowledge and interagency relationships to establish long-range goals for independence after high school.

The League of Human Dignity's transition component serves students age 14 to 26.

The League assists youth and young adults with disabilities to transition from high school and life with parents to post-secondary education, employment and, for some, independent living.

Lincoln Baseball Team Benefits Disability Groups

NCDHH Night is June 28 at the Ballpark

A late rally by the Kansas City T-Bones cost the Saltdogs their baseball season opener 3-2, May 19 in Kansas City, KS.

But it will be a guaranteed win when the Saltdogs play host to the T-Bones on Wednesday, June 28, in Lincoln – because it's Deaf and Hard of Hearing Awareness Night. The team is working with the Nebraska Commission for the Deaf and Hard of Hearing to produce an evening of baseball, fun and games at Haymarket Park.

The team will donate a portion of ticket sales to the Nebraska Association of the Deaf. This will be the fourth annual Deaf and Hard of Hearing Awareness Night at the park. NCDHH also will have an information booth with resources and referral.

Game time is 6:45 p.m. Tickets can be purchased at the Haymarket Park box office, by phone at 402-474-2255, and online at saltdogs.com/nad. For more information, call Kelsey Cruz at 402-471-3066 or email Kelsey.cruz@nebraska.gov.

Saltdogs, UCP Host Barstool Open

The Saltdogs and United Cerebral Palsy of Nebraska have teamed up to let one lucky fan with cerebral palsy throw out the first pitch at the Lincoln club's June 29 baseball game against the Kansas City T-Bones.

The two organizations sponsored a drawing and the winner will receive four game tickets, t-shirts, hotdogs, sodas and admission to The Barstool Open by the Lincoln Saltdogs to benefit the programs and services of United Cerebral Palsy of Nebraska. The deadline to enter was May 31.

Game time is 6:45 p.m. Tickets can be purchased at the Haymarket Park box office, by phone at 402-474-2255, and online at saltdogs.com.

Fontenelle Forest to Hold Camp for Young Wheelchair Users

Fontenelle Forest will hold its first day camp designed specifically for children who use wheelchairs.

“Wheeling Through the Forest — Have to Have a Habitat” will be from 8:30 a.m. to 3:30 p.m. June 14-16. The camp is for children age 6 to 11 with adult or teen companions. The cost is \$135 for Fontenelle Forest members and \$200 for non-members, and scholarships are available.

The camp will cover what plants and animals need to survive, how they have adapted to meet their needs, and the differences between forest and wetland habitats. Campers will spend a day in the wetlands concentrating on the world of fish and other aquatic life and take a tour of Raptor Woodland Refuge.

To register for the camp, visit fontenelleforest.org/camps.

Talking Book & Braille Service:

No Need to Give Up Reading

People with limited ability to read, hold a book or turn pages still can enjoy their favorite books and magazines, through to the Nebraska Library Commission's free Talking Book and Braille Service.

The program provides easy-to-use playback equipment free on long-term loan. Patrons can have audio books and magazines mailed directly to them and all materials can be returned postage free.

Online application forms can be printed, completed, and then mailed to the Talking Book and Braille Service. The Web site is www.nlc.state.ne.us/TBBS/applyforservice.aspx

For more information, e-mail nlc.talkingbooks@nebraska.gov or call 1-800-742-7691.

After Hours Transportation for Lincolniters with Disabilities

The League of Human Dignity Extended Hours Service (EHS) Transportation Program offers 70 rides each week, for people with disabilities in Lincoln, who need accessible, affordable transportation when other options are not available.

So, if you have a disability and don't drive — and it's late or it's the weekend or a holiday, and the city buses and

HandiVans aren't running, EHS is there for you.

EHS is for people who are eligible for Lincoln's StarTran HandiVan service and who use Lincoln's fixed-route buses or other assisted transportation, or who experience permanent disability and do not have a vehicle of their own and valid driver's license.

A HandiVan or EHS identification is required — eligible residents can get both at the League of Human Dignity, 1701, P Street, in Lincoln. Stop in or call 402-441-7871 for details about eligibility and registration.

EHS offers rides weekdays from 5 to 11 p.m.; Saturdays from 8 a.m. to 11 p.m.; Sundays from 8 a.m. to 5 p.m.; and on Memorial Day, the Fourth of July, Labor Day, Thanksgiving, Christmas and New Year's Day from 8 a.m. to 5 p.m. Each one-way ride is \$4.

Reservations for rides are accepted Monday through Friday from 9 a.m. to 4:30 p.m. Reservations may be made from one to seven day prior to a requested ride. Same-day requests are subject to space availability.

Contact the League's Transportation Coordinator for more information about this great program!
