

Promoting independent living for people with disabilities for more than 40 years. Serving Nebraska and Southwest Iowa

Luke Craig Art on Exhibit in League's Lincoln Office

Luke Craig, a Lincoln artist with Traumatic Brain Injury, says art has helped him in his struggle to recover, given him a creative outlet and a way to express and share a part of himself.

A collection of his work currently is on display at the League of Human Dignity office, 1701 P St., in Lincoln. The works, which are for sale, are computer-generated and professionally printed.

"My images represent metaphysical reality. They are digital transcriptions of my thoughts," Luke said.

For years, since his 1997 traffic accident, Luke said he was angry at the changes and disability caused by his injury. But through determination and an unswerving desire to be a productive member of society, he has come a long way in his recovery.

He now lives in Lincoln with his older brother Ben, who also is his caregiver, agent, manager and assistant.

The works were installed in June by Metro Gallery owner Dean Settle and will remain in place through December.

League Membership Elects Officers

The League of Human Dignity Membership Group elected officers for the coming year during its annual picnic in July.

Melissa Wollen will continue as President and Carrie O'Brien as First Vice President. Mitch Miller was elected Second Vice President. Also re-elected were Kathy Johnston, Secretary; and John Wollen, Treasurer.

Elections were held during the Membership picnic July 2 at Antelope Park in Lincoln.

We are bombarded these days with information about the impending presidential election. I have personally found the presidential campaign process to be fascinating and interesting, and I have been reminded by this process how very important it is for each of us as Americans to become involved in this election.

Even though our country faces many complex problems, America is still a great nation that provides its citizens with many freedoms and opportunities that citizens of most other countries do not enjoy. I believe that each of us has the responsibility as an American Citizen to exercise our right and privilege to vote in the November Election.

If you are not currently registered to vote, please do so. If you do not know how to register to vote, please call a League CIL or Office, and we will provide you with information about how to register to vote. If you are registered to vote, please vote on November 8.

January 17, 2017 will mark the beginning of a new president and leadership in the executive branch of our government for the next four to eight years. Regardless of your political party affiliation, or choice of candidates, your vote is important. We have all heard that our vote doesn't matter anyway. My vote matters to me, and I hope that your vote matters to you.

Mike Schafer, League CEO

League's Extended Hours Service May Soon Double After-Hours Rides for Lincolmites with Disabilities

We are hopeful that, thanks to anticipated federal funding, the League's Extended Hours Service (EHS) may soon be able to double its available rides from the current 35 per week to 70.

No official date for the increase has been set, but keep an eye on the League's website, Facebook page and *On The Level* for updates.

EHS is designed to provide affordable, accessible public transportation in Lincoln for people with disabilities who need it, when other options are not available.

So, if you have a disability and don't drive — and it's late or it's the weekend or a holiday, and the city buses and HandiVans aren't running, EHS is there for you.

EHS is for people who are eligible for Lincoln's Star-Tran HandiVan service and who use

Lincoln's fixed-route buses or other assisted transportation, or who experience permanent disability and do not have a vehicle of their own and valid driver's license.

A HandiVan or EHS identification is required — eligible residents can get both at the League of Human Dignity, 1701, P Street, in Lincoln. Stop in or call 402-441-7871 for details about eligibility and registration.

EHS offers rides weekdays from 5 to 11 p.m.; Saturdays from 8 a.m. to 11 p.m.; Sundays from 8 a.m. to 5 p.m.; and on Memorial Day, the Fourth of July, Labor Day, Thanksgiving, Christmas and New Year's Day from 8 a.m. to 5 p.m. Each one-way ride is \$4.

Reservations for rides are accepted Monday through Friday from 9 a.m. to 4:30 p.m. Reservations may be made from one to seven day prior to a requested ride. Same-day requests are subject to space availability.

Contact the League's Transportation Coordinator for more information about this great program!

The League also is accepting donations to help support the EHS program. You can send us a check or money order, noting that your donation is for the EHS Program, drop by our office at 1701 P Street with a cash, check or credit card donation, or donate online on our website, www.leagueofhumandignity.com

Third Annual Poker Run Event Includes Reunion of Legendary NE Nebraska Band *Loco* at O'Neill's Chesterfield West
