### Lincoln Fundraiser Comes Off One-Year Hiatus, Welcomes 22 Teams

Golf was back on the fundraiser calendar this year, after a year off due to the COVID-19 pandemic.

The League of Human Dignity's Lincoln center welcomed 22 teams to the four-player 2021 scramble Sept. 16, at The Highlands Golf Course.

## CEO's Note

As the days shorten and the temperatures get cooler, we naturally turn our thoughts to the fall. If you're like me, you welcome this time of year. Not only is it more pleasant to be outdoors, but it is beautiful as the trees take on their autumn colors.

Fall is a time to be thankful for more than just the change in the weather, though. It's also a time to appreciate the many acts of generosity and giving that we have experienced throughout the year.

We recently held our 12th annual Benefit Golf Event – it would have been our 13th, had the event not been cancelled last year due to the COVID-19 pandemic. And our Omaha and Southwest Iowa offices were able to hold their annual golf benefit in Council Bluffs as well. It is always so heartwarming to receive so much community support. This year we welcomed back friends who have supported these events for years, as well as new supporters, and we thank you all very much! There is more to be found elsewhere in this issue regarding these events.

Along with the many items we have to be thankful for at this time of year, it is also a time to be prepared. September was National Emergency Preparedness Month. With the recent natural disasters our nation has experienced, more than ever it is imperative that we each have a plan in case of a disaster or emergency. Make sure that you are aware of the locations of local emergency shelters. Make sure that you have an emergency bag packed and ready to go in case of emergency.

So, along with being thankful for all the wonderful giving and support shown to the League we also are thankful for all the local resources and community support available in case of an emergency. Please be aware of where to go for help in case of need.

Have a happy, thankful and safe fall season!

Kathy Kay  
League Co-CEO

# Nation's Recovery Must be 'Powered by Inclusion'

The poster and theme for this year's NDEAM celebration reflect the importance of ensuring that people with disabilities are an integral part of the nation's recovery from the COVID-19 pandemic.

## October Marks Annual Celebration of National Disability Employment Awareness Month

"America's Recovery: Powered by Inclusion".

That is the theme of this year's National Disability Employment Awareness Month. The theme reflects the importance of ensuring that people with disabilities have full access to employment and community involvement during the national recovery from the COVID-19 pandemic.

"Our national recovery from the pandemic cannot be completed without the inclusion of all Americans, in particular people with disabilities," said U.S. Secretary of Labor Marty Walsh.

"Their contributions have historically been vital to our nation's success, and are more important today than ever. We must build an economy that fully includes the talent and drive of those with

disabilities."

NDEAM is held every October to commemorate the many and varied contributions of people with disabilities to America's workplaces and economy.

The history of the celebration can be traced back to 1945, when Congress enacted a law declaring the first week of each October "National Employ the Physically Handicapped Week." In 1962, the word "physically" was removed to acknowledge individuals with all types of disabilities. In 1988, Congress expanded the week to a month and changed the name what it is now.

The U.S. Department of Labor's Office of Disability Employment Policy maintains the official NDEAM website — [www.dol.gov/NDEAM](http://www.dol.gov/NDEAM) — featuring resources for anyone to participate in celebrating the annual observance during October and throughout the year.

# Golfers Benefit Omaha, SW Iowa CILs

## Eight Teams Compete as Annual Fundraiser Resumes

Eight teams made up of 31 golfers competed in the four-player scramble, held Friday, Aug. 27, at Bent Tree Golf Club just east of Council Bluffs, Iowa. The number of teams was no doubt affected by a scheduling issue discovered by the golf club only a few weeks before the event, requiring it be held a week later than originally scheduled.

Proceeds from the fundraiser benefit the Omaha and Southwest Iowa Centers for Independent Living.

The event was the League's 10th golf benefit, resuming after last year's event was cancelled due to the COVID-19 Pandemic.

Caring for People Services Team 1 took first place in the golf scramble. The team was made up of Tony Nielsen, Seth Beaman, Shane Beaman and Clarence Whitehill.

In second place was MediGuard, made up of Matt Jeter, Chad Seim, Dave Storm and Tom Pascale.

Taking third was Bellevue University, made up of Nate Geiser, Lucas Gabriel, Duane Monlux and Ed Lehotak.

## Mental Illness Awareness Week In October

Each year, during the first week of October, the National Alliance on Mental Illness and participants across the country raise awareness of mental illness, fight discrimination and provide support through Mental Illness Awareness Week.

One in five U.S. adults experience mental illness each year, one in 20. adults experience serious mental illness each year, and one in six U.S. youth aged 6 to 17 experience a mental health disorder each year. However, mental illness affects everyone directly or indirectly through family, friends or coworkers.

Congress officially established the first full week of October as Mental Illness Awareness Week in 1990 to shine a light on this issue.

This year's observance is centered around the theme, "Together for Mental Health." The focus will be on the importance of advocating for better care for people with serious mental illness.

## League Loan & Rental Program

Have you or a family member ever suffered a minor injury that required the use of crutches or a wheelchair for a short time? Has a recent illness or accident made it necessary to use a walker, transfer bench or a commode? Do you have equipment that you no longer need?
